ALL-STAR TEAMS

NOVICE

CCU Novice teams are great for athletes and families who are new to competitive cheerleading. This is a great introduction to All-Star Cheer without the significant time commitment and cost. Novice teams will practice 2 hours per week for the full 24-25 season. They will perform 3-5 times at local competitions and only travel to 1 out-of-state competition.

PREP

CCU Prep teams are designed for athletes and families who may also be new to All-Star Cheerleading or may not want to travel to as many out-of-state competitions. Prep teams will practice between 2-4 hours per week for the full 24-25 season. Teams will compete at 3-5 local competitions and 1-2 out-of-state competitions. They may also attend an end-of-season event if they receive a bid.

ELITE

The CCU All-Star Elite Program is a competitive program for all ages and levels. Elite teams will travel to some of the largest competitions in the country to compete alongside the most well-known programs in All-Star Cheerleading. They will practice, at minimum, two times per week for 2+ hours. In addition to regular practices, athletes will attend a 1 hour team tumble class. Additional practices and choreography sessions will be added as necessary throughout the year. Athletes are also expected to put in work outside of scheduled practice time to review choreography, stretch, tumble, stunt, jump, etc.

Please make sure to clarify which team option you feel is best suited for your athlete and family on your tryout registration. We will take this into careful consideration when finalizing team placements.

ARES, JUNIOR LEVEL 1 - NCA

TRYOUT PROCESS

TRYOUT SESSIONS: WEEK 1

Our Tryout Sessions are designed as a low-stress environment in order to allow athletes the opportunity to work with our coaches as well as other athletes in their age group. During each session, athletes will rotate between tumble, stunt, jump, and dance stations demonstrating skills they have mastered as well as their potential to learn new skills.

TRYOUT EVALUATIONS

Tryout Evaluations for Ages 8-18 are completed within small groups on **Saturday, May 18th** at the time you sign up for. Each group will be given about 15 minutes to warm-up before being evaluated. During the Evaluation, groups will first perform the dance they learned during Tryout Session Week 1. Each athlete will then take turns demonstrating their best 2-3 Jumps, Standing Tumbling, and Running Tumbling skills. Please see the Skills Grid (Pg. 10) for tumbling skills to choose from. *Ages 4-5 will be evaluated during their tryout sessions.

TRYOUT SESSIONS: WEEK 2

Once athletes have completed their Tryout Evaluation, everyone will return for Tryout Session Week 2. This week will focus more on teamwork while working together on group stunting, tumbling and jumps.

TEAM PLACEMENTS

After the final session of tryouts, we will assemble rosters for the upcoming season. There are three main factors considered when forming teams: Age, Experience, and Skill Level. ALL factors are important and help determine placement.

- Age requirements can be different for each level/division and may be subject to change according to USASF updates. We will always prioritize the healthiest age group for each individual athlete based on age and maturity. Please remember that the age group (Tiny, Mini, Youth, Junior, Senior) does NOT determine the skill level. For example, a Youth 3 and Senior 3 team will both compete the same Level 3 skills. The only difference is the average age of the athletes on the team.
- Experience involves the ability to pick up and memorize choreography, execute elite skills to counts in a routine correctly, perform in front of a large crowd, and by being an example to others through their actions and positive attitude.
- Skill Level is based on the EXECUTION of tumbling, jumps, and stunts performed during tryouts. It is important to understand the difference between an athlete's ability to perform a skill on their own vs. the ability to perform a skill on their own with correct technique and confidence.

ALL-STAR FEES

All-Star Fees will be broken into 6 monthly installments and charged on the 15th. This will begin July 2024 and end December 2024. Uniforms and Practice Wear will be charged on June 15, 2024. We will keep the same uniform design for 3 years. This year, our Elite Teams will be receiving a new uniform. END-OF-SEASON EVENTS

Throughout the season, we have many goals for all our CCU teams. One of our goals is for each team to earn a bid to some of the largest, most highly established and competitive End-of-Season Events in our industry. Earning a bid to competitions like US Finals, Youth Summit, Summit, and The Cheerleading Worlds is an incredible accomplishment. Once a team is awarded a bid, we expect them to attend. On March 15, 2025, an End-of-Season (EOS) Event Fee will be charged to the accounts of all bid-earning teams' athletes. This fee may cover coaches travel fees, team swag, choreography upgrades, etc. It will NOT include the athlete's Registration Fee, which is determined by the competition and type of bid received.
